

Wine Tour to Serene Veneto | 5 days - 25 to 30 June 2025

Veneto, one of Italy's most renowned wine regions, invites travelers to explore its scenic vineyards, historic estates, and world-class wines. With around 20 Wine Roads weaving through picturesque landscapes, Veneto offers a perfect blend of tradition, culture, and gastronomy.

The Prosecco Hills of Conegliano and Valdobbiadene, a UNESCO World Heritage Site, are the birthplace of Prosecco Superiore DOCG. Visitors can tour historic wineries, learn about the delicate winemaking process, and enjoy a glass of Italy's favorite sparkling wine while taking in breathtaking vineyard views.

Near Verona, Valpolicella is famous for its bold reds, especially Amarone della Valpolicella. Crafted using the "appassimento" technique—where grapes are dried to concentrate their flavors—Amarone offers rich, velvety complexity. The region also produces Ripasso and Recioto, each offering unique depth and character.

In the Euganean Hills near Padua, the Colli Euganei Fior d'Arancio DOCG stands out with its aromatic Yellow Muscat grapes, yielding wines with floral and citrusy elegance.

A wine tour in Veneto is more than just a tasting journey—it's an immersion into Italy's rich history and vibrant culture. From medieval villages and Venetian villas to rustic wine cellars and gourmet pairings, every moment reveals the artistry behind Veneto's world-famous winemaking heritage.
